# Welcome to SimpleStartup.in!

Hello, Influencers, Affiliates, and Promoters!

Thank you for joining us today. We're excited to share how you can earn commissions by promoting our courses through affiliate marketing. At simplestartup.in, we value your influence and look forward to a successful partnership.

## Who We Are?

simplestartup.in is a leading provider of e-commerce and affiliate marketing services and training classes tailored for platforms like Amazon, Flipkart, Meesho, and more. We specialize in helping businesses set up seller accounts, implement effective advertising strategies, and manage logistics. With years of expertise, we are committed to guiding our clients to excellence.

## Our Vision & Mission

Our mission is to simplify the process of starting and scaling Startup businesses by offering comprehensive training, exceptional support, and innovative solutions that drive growth and profitability.

# What is Affiliate Marketing?

Affiliate marketing is a performance-based marketing strategy where affiliates earn commissions by promoting products or services on behalf of a business. By sharing unique affiliate links with their audience, affiliates can drive traffic and generate sales, earning a commission for each successful transaction.
